Bolt Prospects is an online magazine and community dedicated to being the ultimate source of Tampa Bay Lightning prospects coverage. Published by a group of freelance hockey writers with a focus not only on providing in-depth prospect coverage and information, but also intent on creating and supporting an open and collaborative online community that actively participates in discussion and the reporting process.

Staff

[Timothy Bennett](#) [2]

- General prospects coverage
- Web site and technology admin (i.e. geeky stuff as opposed to artsy stuff)
